

Dear Parents.

I am planning a fieldtrip for (date), and am requesting your permission for your teen to attend.

We will be going to the Museum of Contemporary Photography in downtown Chicago (Columbia College). (www.mocp.org) I have requested permission to get a class tour through the museum's permanent collection as well as the current exhibition. The museum education staff will work with us to select photographers, techniques and themes related to the interests and curriculum of the class. We will be looking at a wide variety of photography, and this will give the students a better understanding of what photography's role has been throughout history, and currently.

Your teen will not need to bring anything special. I have arranged to have a bus for transportation, and we will be leaving at 8:00 and returning before lunch.

Please return the lower half of this sheet with your signature, or stop in to the school office for more information.

Thanks!

Mrs. Barnes
